- Reporting:** A Gantt chart displays the timeline of social value delivery across months (Jan to Dec) for 2025 and 2026, with bars indicating the percentage of value generated (e.g., 100%, 50%, 20%).

The interface also includes a search bar, user profile information, and a navigation menu with options like "Home", "Dashboard", "Projects", "Reports", "Solutions", "Business Management", "Social Value Management", "Supply Chain Management", "Performance Management", "Help & Support", "Contact & Support", and "Settings".
